Case No. C-08-4238 EMC

STIPULATION BETWEEN SECURITIES  
AND EXCHANGE COMMISSION AND  
MICHAEL PATTISON CONCERNING  
CERTAIN TRIAL EXHIBITS ; ORDER

Trial Date: Sept. 7, 2010

Before the Honorable Edward M. Chen

1 Plaintiff Securities and Exchange Commission and defendant Michael C. Pattison, by and  
2 through their undersigned counsel, hereby stipulate and agree to the following:

3 **A. E-mail messages and attachments**

4 The parties stipulate that exhibits reflecting printouts of e-mail messages bates labeled with  
5 the prefixes EMBT, EMBPALL, ETET, ETHE, ETRADE, ETSC, ETTCB, and GP are authentic e-  
6 mail messages and require no further proof to establish their authenticity pursuant to Rule 901 of the  
7 Federal Rules of Evidence. The parties agree that these exhibits are e-mail messages sent by the  
8 person on the "FROM" line and to the recipients on the "TO," "CC," and "BCC" lines. The parties  
9 further agree that the messages were sent on the dates and at the times reflected in the printout. The  
10 parties also agree that the documents following e-mail messages in these exhibits are printouts of  
11 attachments to the e-mail messages.

12 This stipulation does not apply to e-mail messages bates labeled with the prefix "RS-SEC".  
13 The parties agree, however, that the "RS-SEC" e-mail messages marked as Exhibit Nos. 139, 169,  
14 and 185 are authentic because the parties located duplicate e-mail messages bates labeled EMBT.

15 The parties further agree that e-mail messages marked as Exhibit Nos. 33 and 804 are  
16 authentic draft e-mail messages authored by the individuals identified on the "FROM" line and  
17 written on the dates identified on the exhibits. It is unknown from the face of the exhibits whether  
18 the messages were sent, as no one is identified as a recipient on the "TO" lines.

19 **B. Stock Option Grants**

20 The parties stipulate that signed exhibits captioned "Embarcadero Technologies, Inc. Stock  
21 Option Grant" and bates labeled with the prefix ETSC are authentic stock option agreements and  
22 require no further proof to establish their authenticity pursuant to Rule 901 of the Federal Rules of  
23 Evidence.

24 **C. Certain Quarterly Grant Lists**

25 The parties stipulate that the following exhibits bates labeled with the prefix ETSC are  
26 authentic and require no further proof to establish their authenticity pursuant to Rule 901 of the  
27 Federal Rules of Evidence: Exhs. 21; 354; 356; 470; 478; 481; 483; 494; 519; 520; 521; 549; 556;  
28 563; 576; 595; 605.

**D. Memoranda**

The parties stipulate that the following exhibits reflecting memoranda bates labeled with the prefixes EMBT and ETET are authentic memoranda and require no further proof to establish their authenticity pursuant to Rule 901 of the Federal Rules of Evidence: Exhs. 5; 539; 546.

The parties agree that the memoranda were written by the authors reflected in the exhibits. The parties also agree that the memoranda were written on the dates reflected in the exhibits. The parties further agree that the first memorandum in Exh. 546 dated March 14, 2003, refers to the two attached memoranda dated July 1, 2002, included in the exhibit.

**E. Printouts of Equity Edge Reports**

The parties stipulate that the following exhibits bates labeled with the prefixes ETSC and EMBT are authentic printouts of Equity Edge stock option reports from Embarcadero Technologies, Inc. and require no further proof to establish their authenticity pursuant to Rule 901 of the Federal Rules of Evidence: Exhs. 651; 655; 656; 657; 658.

**F. Management Representation Letters**

The parties stipulate that the following exhibits bates labeled with the prefixes PwC-EMBT-SEC and EMBT are authentic management representation letters signed by Stephen Wong, Raj Sabhlok, and Michael Pattison and require no further proof to establish their authenticity pursuant to Rule 901 of the Federal Rules of Evidence: Exhs. 37; 487; 498; 516; 525; 547; 551; 560; 561; 570; 592; 598; 601; 602; 616; 624; 626.

**G. Filings made by Embarcadero Technologies, Inc.**

The parties stipulate that the exhibits, listed below, reflecting Forms 10-K (annual reports), Forms 10-Q (quarterly reports), Schedules 14A (proxy statements), and Forms 8-K (periodic reports) are authentic filings made by Embarcadero Technologies, Inc. with the Securities and Exchange Commission and require no further proof to establish their authenticity pursuant to Rule 901 of the Federal Rules of Evidence.

The parties further agree that these exhibits were filed with the Securities and Exchange Commission on the dates reflected in the following chart:
